- For all ultrasounds, the remote site will bill for the technical/facility component, and the referral site (PPA) will bill for the professional component.

Perinatal Consultation

- Face-to-face consultation with patient over Arizona Telemedicine Program (ATP) network.
- Patient records should be sent via fax or email before the consultation.
- The PPA program coordinator will facilitate patient registration and scheduling.
- The remote site will bill for the technical/facility fee. The referral site (PPA) will bill for the consultation fee.

Emergency Consultation

- Our practice physicians are available 24 hours a day, 7 days a week for an emergency consult.
- The PPA consult hotline is 877.500.6160.
- There is no charge for a phone consultation with one of our perinatologists or neonatologists.
- There is no charge to arrange for a patient transport to Level III or Level II hospital.
- There is no charge for a second opinion interpretation of a fetal monitor strip.
- For a “Stat” ultrasound interpretation, the patient will be billed the professional component and the referral site (PPA) will bill for the technical component.
